Friday, April 3, 2015
Town Hall Break Room

Board Members present: Lorin Johnson; Sharon McCarthy; Thomas Philippou, Chairman

Also present: Tim Bragan, Town Administrator; Paige O'Brien, Clerk

Mr. Philippou called this meeting to order at 9:05 a.m.

Update – Temporary Town Offices Carpet Installation

Mr. Bragan reports that, instead of carpeting, he would like to have DPW install interlocking, recycled PVC flooring to the basement at the interim town hall. Mr. Philippou made a motion to accept this solution; Ms. McCarthy seconds. Vote, aye, unanimous.

Discussion – 105 Stow Road, CHOICE

Mr. Grossman sent the following request via email: *[I would like] to know what the next step will be as far as what to do about an overall approval for the septic and what impact the well has to the approval. When and what to do about the proposed person limits...I am finished with the septic system technical review BUT if they are to prove they could in fact meet the public Water Supply requirements if there were to be a violation, that present well location is unacceptable.*

After some discussion, Mr. Philippou agreed to draft a letter to town counsel and offered to speak with a regional board of health expert to find out who to speak with at DEP. Mr. Grossman will be asked about the process that CHOICE needs to go through to become a PWS.

Adjournment

Mr. Philippou moved to adjourn meeting at 9:28 a.m. Ms. McCarthy seconds; vote, aye, unanimous.

Respectfully submitted,

Paige O'Brien, Clerk
