

## BOARD OF HEALTH

---

### MINUTES

---

Tuesday, April 8, 2014  
Hildreth House

*Thomas Philippou, Chair*     *Lorin Johnson*     *Sharon McCarthy*

---

*Board Members present:* Lorin Johnson; Sharon McCarthy; Thomas Philippou

*Also present:* Paige O'Brien, Clerk

This meeting was called to order at 7:00 p.m.

#### **Vector Control**

- Ms. O'Brien will supply Bromfield and HES nurses with tick removers and offer support with regards to tick bite prevention education.
- As of this meeting, Mr. Philippou was waiting to hear back from schools with regards to mosquito control feedback.

#### **Discussion about drafting local tobacco regulation**

- Mr. Philippou will inquire with Dr. Connolly regarding Harvard Public Schools' input on tobacco regulation.
- The Board agreed that planning a forum for public discussion would be advantageous.

#### **Permits**

- No permits to review

#### **Approval of Minutes of March 25, 2014**

Mr. Philippou made a motion to accept the minutes as amended. Mr. Johnson seconds; vote aye, unanimous.

#### **Discussion – Review of Title 5 Regulations**

Mr. Johnson and Mr. Philippou initiated a discussion concerning a Title 5 requirement that may provide benefit to its residents. Mr. Philippou presented the Board with research documentation comparing innovative/alternative systems with traditional pipe and stone system.

#### **Adjournment**

Ms. McCarthy moved to adjourn meeting at 8:14 p.m. Motion seconded by Mr. Johnson. Vote: aye, unanimous.

The next scheduled board meeting is Tuesday, April 22, 2014  
7 p.m. at Hildreth House.

*Minutes prepared and submitted by Paige O'Brien.*
