Members Present: Bruce, Charles, Dick, Don, Heidi, John, Steve

Others: Tim Bragan, David Nalchajian Location: Town Hall Meeting Room

**Minutes:** The Minutes of the January 11th meeting were unanimously approved. The Minutes of the January 18th meeting were amended and unanimously approved.

Public Commentary: None.

# **Town Adminstrator/Finance Director Reports:**

- Small Warrant Article Update:
  - Park and Rec Director article might be withdrawn
    - Hildreth House Technical has been withdrawn and cost will be paid for by Rantoul Trusts
    - Capital might pay for both Old Library access articles
- Cherry Sheet Overview:
  - Receipts up \$39k, but charges up \$136k
  - This adds ~ \$100k to current omnibus budget deficit
  - See figure at end of minutes

# **Liaison Reports:**

- CPIC:
  - School locks cost will likely change
  - Old Library articles will be added to Capital
  - Devens Fund paying for half of MS bathrooms
  - School locks, DPW truck and science room will be lumped into a 5 year BAN
  - See figure
- Schools
  - New contract for Superintendant has been agreed upon

# **FY2018 Budget Reviews:**

- Land Use Administrator/BOH Clerical Position
  - What is the reporting structure for shared position?
    - Liz Allard will be primary supervisor
  - What is driving need for new/expanded position?
    - Liz routinely falls behind on minutes posting, notices to abutters, especially if she is out of the office
    - Liz spends 5-6 hours/week at meetings and would continue to take minutes
  - Why does Liz do meeting minutes?
    - It helps to have institutional knowledge and understanding of all of the boards activities
  - Is there overlap between Liz and the Town Planner duties?
    - No

# Planner Contract:

- Are you considering hiring a full-time planner concentrating on housing?

- No, at this time there isn't need for it
- The planner concentrates on enacting the Master Plan
- Does hiring a part-time planner as a town employee make sense?
  - Since the planner is a contract employee, \$60k is the total cost with no additional benefits costs
- How has planner done securing grants this year?
  - DLTA grant received for Hildreth House housing
- How are hours kept track of?

Hours are submitted and reviewed each week

### Conservation Committee:

- What is the \$200k for?
  - maintenance of non-CPC acquired land
- What funded land acquisition in the past?
  - Town Meeting articles
- Why hasn't ConCom received any money for the last 2 years?
  - Town Meeting hasn't allocated any
- Do we need more open space?
  - ConCom isn't seeking to add any more large tracts. Land prices have generally become too expensive. Future land acquisitions will attempt to fill in disconnected parcels.
- How does Harvard's protected space compare to surrounding communities?
  - Needs to be investigated, but Harvard protects a large amount of space currently
- Do you need money for maintenance?
  - \$10k spent now, but depending on level of service and trail amenities desired, more could be spent.
- Is forestry viable in Harvard?
  - Not without massive investment
- Can companies or individuals sponsor parcels or trails to pay for maintenance and perhaps expansion of the trail system?

### Board of Health:

- Shared Clerical Position:
  - Records are in total disarray
  - Revolving door of part-time clerks has caused numerous organizational problems
  - Additional hours are needed so that job is done properly and so that employee has incentive to have commitment to job
  - Has MOU been executed?
    - 2 of 4 boards have approved MOU
- Revenue:
  - Waste haulers are being more aggressively pursued for licensing fees
- Requested money for conference/talk on tick-borne diseases

### Other Business - None

**Next Meeting:** Saturday, January 27th at 9AM in the Town Hall Meeting Room.

The meeting was adjourned at 9:32PM.

Respectfully submitted, Charles Oliver, Secretary
