

War Memorial Meeting
Minutes for May 6, 2019
Harvard Town Hall

Present: Jon Schoenberg, Pat Jennings, Steve Cronin, David Vanicolla, Stu Sklar and John Lee.

The minutes from April 8th were read and approved as amended.

Jon presented a draft presentation of our plans and charter for discussion. There was some discussion of including monuments and memorials in Devens if and when the town takes jurisdiction. Also a list of future initiatives for monuments and memorials (WWII, Korean War, Vietnam, Iraq-Afghanistan wars). And how to address long term maintenance of them. No action was taken.

Stu volunteered to recruit a new member for the committee from Park and Rec.

Pat agreed to talk to Zoll to get an estimate for new plaques and stones as sketched out in the draft design.

Steve said that he will talk to the Veteran's Agent to look for the names of others that may have died in WWII.

Jon agreed to work on an update to be presented to the Select Board sometime in September.

Next meeting June 3 at 7:30.
